THIS ANNOUNCEMENT CONTAINS INSIDE INFORMATION.

12 December 2025

For Immediate Release

1Spatial plc (AIM: SPA)

("1Spatial", the "Group" or the "Company")

Possible Offer for 1Spatial plc

- The boards of 1Spatial (the "**Board**") and VertiGIS Ltd ("**VertiGIS**"), a portfolio company of Battery Ventures ("**Battery**"), are pleased to announce that they have reached agreement in principle on the key terms of a possible cash offer for the entire issued and to be issued ordinary share capital of the Company for a price of 73 pence per 1Spatial share in cash (the "**Possible Offer**").
- VertiGIS has confirmed that it has completed commercial due diligence, has a clear understanding of the 1Spatial business and requires only limited confirmatory diligence to proceed to an announcement of a firm intention to make an offer under Rule 2.7 of the Code, and the Board has confirmed to VertiGIS that it intends to unanimously recommend the Possible Offer to 1Spatial's shareholders, should a firm offer be made pursuant to Rule 2.7 of the Code. It is expected by 1Spatial and VertiGIS that, should a firm offer be made by VertiGIS, it will be executed by way of a Scheme of Arrangement, but VertiGIS reserves the right to proceed by way of contractual offer.

Highlights

- The Possible Offer at 73 pence per 1Spatial share values the entire issued and to be issued ordinary share capital of 1Spatial at approximately £87.1 million¹.

¹ The fully diluted ordinary share capital includes 1,313,973 options to be awarded under the Company's Employee Share Plan in respect of FY2025, which have been approved by the Remuneration Committee and which the Company intends to grant shortly following this announcement.

- This represents a premium of approximately:
 - 57.0 per cent. to the closing price of 46.5 pence per 1Spatial share on 11 December 2025 (being the last business day prior to the date of this announcement);
 - 51.5 per cent. to the volume weighted average price of 48.2 pence per 1Spatial share during the three month period ended 11 December 2025 (being the last business day prior to the date of this announcement); and
 - 53.2 per cent. to the volume weighted average price of 47.6 pence per 1Spatial share during the six month period ended 11 December 2025 (being the last business day prior to the date of this announcement).
- The Possible Offer has received the support of 1Spatial's largest shareholders representing, in aggregate, 33.8 per cent. of the issued ordinary share capital. VertiGIS has received irrevocable undertakings from Threadneedle Asset Management Limited and Columbia Threadneedle Management Limited, collectively 1Spatial's largest shareholder, to vote, or procure a vote, in favour of a firm offer by VertiGIS at a price consistent with the Possible Offer in respect of a total of 19,795,840 1Spatial shares representing, in aggregate, approximately 17.7 per cent. of the issued ordinary share capital of 1Spatial as at the date of this announcement. VertiGIS has further received a non-binding letter of intent from Canaccord Genuity Asset Management, 1Spatial's second largest shareholder, to vote in favour of a firm offer by VertiGIS at a price consistent with the Possible Offer in respect of a total of 18,028,859 1Spatial shares representing, in aggregate, approximately 16.1 per cent. of the issued ordinary share capital of 1Spatial as at the date of this announcement. Further details of the irrevocable undertaking and letter of intent are set out in Appendix A.
- The Board re-iterates the outlook statement made in the Company's interim results, noting that the final out-turn for the year is dependent on the timing of delivery of key contracts.

Background to and reasons for the recommendation

The Board remains confident in the standalone prospects of 1Spatial as an independent company and notes the progress achieved against its strategic priorities, including the growth in software and SaaS revenues. At the same time, the Board has carefully evaluated the Possible Offer in the context of current market conditions for UK small-cap technology issuers and the Company's capital needs to accelerate execution.

In reaching agreement in principle on key terms, the Board considered that the Possible Offer would:

1. Deliver certain and fair value to 1Spatial shareholders, providing an immediate liquidity event at a cash price representing a premium to recent trading, while removing exposure to execution risk inherent in scaling enterprise SaaS companies and to public-market volatility.

2. Accelerate the Company's strategy under private ownership, enabling increased investment in go-to-market, product, and customer success beyond what is feasible given balance-sheet constraints and the costs and disclosure obligations associated with an AIM listing.
3. Create a compelling strategic combination with VertiGIS, a Battery Ventures-backed global provider of enterprise geospatial software with an established ESRI ArcGIS® ecosystem, broad industry reach, a track record of innovation and inorganic growth, and a longstanding commercial partner whereby 1Spatial operates as a key distributor of VertiGIS's products. The Board believes that alignment of product capabilities and customer bases would support faster adoption of 1Spatial's technology and broaden international distribution.

The Board also recognises the potential benefits for stakeholders, including customers who rely on trusted, governed location data and employees who may benefit from the resources of a scaled geospatial platform.

Intention of the Board to recommend the Possible Offer

- The Board remains highly confident in the standalone prospects of 1Spatial as an independent company over the medium to long term and is pleased with the progress made over the last few years in advancing its strategic priorities.
- The Board has however, in summary, concluded that the Possible Offer presents an attractive valuation for 1Spatial and a compelling liquidity opportunity not currently afforded by the public markets and accelerates the ability to scale and deploy capital to significantly grow the business. The Board notes in that regard the support for the Possible Offer by certain of 1Spatial's key shareholders representing, in aggregate, 33.8 per cent. of the issued ordinary share capital.
- The Board shares VertiGIS's excitement regarding the strategic and operational benefits that would come from combining commercial partners with complementary product portfolios and customer footprints.
- In view of these factors and with regard to valuation, should a firm offer for 1Spatial under Rule 2.7 of the Code be announced on the same financial terms as the Possible Offer, the Board intends to recommend that offer to 1Spatial shareholders, subject to the satisfactory resolution and agreement of the other terms of the offer and definitive transaction documentation.

No action required

The Board is continuing to work with VertiGIS to agree the full terms and conditions of an Offer. In the meantime, 1Spatial shareholders are not required to take any action in relation to the Possible Offer. A further announcement will be made as appropriate.

Code requirements

An "Offer Period" has now commenced in respect of the Company in accordance with the rules of the Code. The attention of 1Spatial shareholders is drawn to the disclosure requirements of Rule 8 of the Code, which are summarised below.

Under Rule 2.6(a) of the Code, VertiGIS must, by not later than 5.00 p.m. on 9 January 2026, either announce a firm intention to make an offer for 1Spatial in accordance with Rule 2.7 of the Code or announce that it does not intend to make an offer, in which case the announcement will be treated as a statement to which Rule 2.8 of the Code applies. This deadline can be further extended with the agreement of the Board and the consent of the Panel in accordance with Rule 2.6(c) of the Code.

In accordance with Rule 2.5 of the Code, VertiGIS reserves the right to vary the form and/or mix of the consideration described in this announcement. VertiGIS also reserves the right to make an offer for 1Spatial on less favourable terms than those described in this announcement: (i) with the agreement or recommendation of the Board; (ii) if a third party announces a firm intention to make an offer for 1Spatial on less favourable terms; or (iii) following the announcement by 1Spatial of a Rule 9 waiver transaction pursuant to Appendix 1 of the Code or a reverse takeover (as defined in the Code).

If 1Spatial announces, declares or pays any dividend or any other distribution or return of value or capital to shareholders after the date of this Announcement, VertiGIS reserves the right to make an equivalent reduction to the Offer.

There can be no certainty that an offer will be made.

This announcement has been made with the consent of VertiGIS.

Appendix A

The irrevocable undertaking received by VertiGIS from Columbia Threadneedle is in respect of 19,795,840 1Spatial shares. The irrevocable undertaking has been procured in respect of a possible offer at 73 pence in cash per 1Spatial share (such figure to be reduced by any dividends or distributions declared by 1Spatial after the date of the undertaking) and otherwise on the material terms described in VertiGIS's possible offer announcement. The irrevocable undertaking will lapse if (a) VertiGIS has not released a binding offer announcement under Rule 2.7 of the Code by 5.00 p.m. (GMT) on or before 30 January 2026; (b) the scheme document or offer document (as applicable) is not posted within 28 days of the release of the Rule 2.7 announcement; (c) the shareholder meeting in respect of the offer (if the offer is undertaken by way of a scheme of arrangement) is not scheduled to take place within 28 days of the date of the scheme document, is adjourned to a date outside such period, or the record date for the relevant shareholder meeting has passed after Columbia Threadneedle has given its voting instruction and such meeting has not been adjourned; (d) where the Acquisition is implemented by way of a takeover offer, upon Columbia Threadneedle providing its acceptance in accordance with the terms of the offer document; (e) the Acquisition is withdrawn, lapses or does not become wholly unconditional or effective in accordance with its terms; (f) a competing offer under Rule 2.7 for 1Spatial is announced at an offer price of at least 78 pence per share; (g) VertiGIS informs Columbia Threadneedle that it is no longer considering the Acquisition or announces, with the consent of the Panel and before a scheme document or offer document is published, that it does not intend to proceed; or (h) the value per share of the cash consideration offered by VertiGIS falls below 73 pence per share (such figure to be reduced by any dividends or distributions declared by 1Spatial after the date of the undertaking). Transfers of the relevant shares are permitted (i) with VertiGIS's consent to a transferee that enters into a substantially similar irrevocable undertaking, (ii) to the extent required by law or regulation (including the UCITS Directive and the FCA's Collective Investment Schemes Sourcebook), by court order, or at a regulator's request, and (iii) where a discretionary client terminates its mandate, to a replacement manager or custodian, in which case the undertaking lapses in respect of the transferred shares upon completion of such transfer.

The letter of intent received by VertiGIS from Canaccord, acting on behalf of IFSL Marlborough UK Micro Cap Growth Fund, IFSL Marlborough Global Innovation Fund, IFSL Marlborough Special Situations Fund and IFSL Marlborough Nano Cap Growth Fund, is in respect of 18,028,859 1Spatial shares. The letter of intent has been provided prior to any firm intention announcement and relates to a possible offer at 73 pence in cash per 1Spatial share (such figure to be reduced by any dividends or distributions declared by 1Spatial after the date of the letter of intent) and otherwise on the material terms described in VertiGIS's possible offer announcement. The letter of intent records a present intention to instruct the relevant custodian to vote in favour of the proposed offer for the entire issued and to be issued ordinary share capital of 1Spatial but does not impose any legally binding obligation on the signatories to accept or vote in favour of any offer and does not restrict their ability to deal in the shares, and the signatories have consented to the inclusion in relevant announcements and documents of a statement to that effect unless they have previously notified VertiGIS that their intention has changed.
